

Utilities

GAS

Union Gas is the natural gas provider for the Municipality of Port Hope. Union Gas uses a 12 month forecast to determine their gas rate. This forecast is reviewed and updated on a regular basis and the rates are adjusted accordingly. **For information regarding rates, please visit their website at www.uniongas.com.**

HYDRO

The Municipality of Port Hope is supplied electricity by two separate companies. Veridian (Ward 1) and Hydro One (Ward 2).

Please visit Veridian's website at www.veridian.on.ca to view their current rates.

Hydro One has a 90 year history of operational excellence and experience in the transmission and distribution of electricity in Ontario. Hydro One Inc. is the holding company, which has four subsidiaries.

Please visit their website at www.hydroonenetworks.com to view their current rates.

WATER

New Water Treatment Plant

The Municipality of Port Hope Water Treatment Plant is a new state of the art facility which is space efficient and can grow as the town expands, utilizing additional membranes.

The Municipality of Port Hope is in a position to meet and exceed all present and any future regulations outlined by Ministry of the Environment in the new Safe Drinking Water Act. **For more information regarding this facility, please contact Rick Trumper at (905) 885-2209.**
