### DONATION REQUEST INFORMATION

Total Funding Request: \$ 950.00

Is this an annual donation request?  YES  NO

Delivery Date of Donation: December 12, 2018

Please provide your reasoning for the requested donation, and description of how the funds will be utilized:

The funds receive would be used to repair the existing lighting system on the Antique Machinery Centre at 5077 Country Rd, 10 in Canton. This old lighting system was installed in 2011 and came from a dairy barn. These sodium filled lights are very finicky and go out leaving us in the dark and unable to work. As this Centre is operated by volunteer working after daylight hours, lighting is very important to us.

Last year we applied and I believe this was approved and then was removed because the Bewdley Lions club was going to give us this money. Yes they did and we immediately installed the lights. What a huge difference this made. The problem was, it only lite half of the building, so we are looking to do the rest of the museum.

## FUNDING INFORMATION

Please indicate other financial support you are receiving:

The HAHClub raises funds by restoring an antique tractor and selling draw ticket under a lottery license. This money then can only be used for approved items by the lottery people and maintenance of lights is not approved for this money.

We receive donation for our building fund to add on an addition on our existing building. All membership money and fund raisers are used in restoring old equipment for showing in the Centre after operating expenses. .

Have you ever received funding from the Municipality of Port Hope?

YES  NO

If yes, please indicate the Date: \_\_\_\_\_ Amount: \_\_\_\_\_

Any additional information you find necessary:

The HAHClub would be honored to show any of the new council members this Antique Machinery Centre, but please remember it can best be seen in the daytime because half the museum is in the dark.
