NOTE(S):

1. When the lot area and/or frontage of any block shown on Schedule 'C-11' of this By-law is reduced by 10% or less as a result of the registration of a plan of subdivision the affected block or blocks may be developed for the uses permitted by the zone and the density of use permitted within the zone in accordance with the zone regulations. All other requirements of the zone, including setback requirements shall continue to apply to the zone.
2. Uncovered parking areas may be permitted in all yards provided that no part of any parking area other than a driveway is located within 6.0 metres to any street line and is no closer than 3.0 metres to any side lot line or rear lot line or within 1.8 metres of any residential building located on the lot.
3. Notwithstanding the maximum number of dwelling units per block, the units can be transferred from block to block provided it is within the same Zone and the total number of units within that Zone remains the same. The transfer shall not exceed a 15% decrease or 15% cumulative increase.
