5868 Road 65, Osaca  
Our File: 122049**

---

Dear Ms. Merepeza,

We are in receipt of the latest set of comments dated October 17<sup>th</sup>, 2024. The following materials have been revised accordingly and submitted for your review:

- One (1) copy of the Draft Reference Plan;
- One (1) copy of the Legal Survey;
- One (1) copy of the Hydrogeological Study Addendum;
- One (1) copy of the Engineering Set;
- One (1) copy of the Functional Servicing & Stormwater Management Report;

Please note that we are aware of the requirements for a peer review of the Environmental Site Assessment and Hydrogeological Report. Both reports have undergone a second submission peer review process. We trust the Municipality of Port Hope to work further with the peer review agencies to ensure their satisfaction with the peer review process.

Please inform us if any hard copies of the submission are required, and if so, they could be delivered to your office shortly following this digital submission. Advise us immediately should you identify any omissions from this submission package.

Yours very truly,
